

## **CIGR2008 Newsletter no. 2**

Dear colleagues and CIGR 2008 participants,

The Organizing Committee is happy to announce you that 1,328 papers were submitted to the CIGR 2008. From those contributions 958 were from Brazil, and the remaining 370 were distributed as USA (63), China (46), Argentina (38), Italy (18); Iran (17); Japan (16); Germany (15); Spain (14); Chile (12); Turkey (11); Canada (9); Denmark (9); Ireland (9); Finland (8); The Netherlands (8); Portugal (7); Belgium (6); Romania (6); Egypt (5); France (5); Israel (5); Poland (5); Hungary (4); India (4); Australia (3); Colombia (3); Botswana (2); Korea (2); Latvia (2); Mexico (2); New Zealand (2); Norway (2); The Philippines (2); Tunisia (2); Greece (1); Honduras (1); Oman (1); Pakistan (1); Porto Rico (1); South Africa (1); Sudan (1); United Kingdom (1).

The scientific committees are already in the process of evaluating them in order to make sure the acceptance is sent to the authors soon.

The large number of papers as well as the diversity in the participating countries indicates the importance of this event and the unique opportunity of scientific and cultural exchange.

At the site <http://www.acquacon.com.br/icae/en/index.php> it will be possible to check on the registration as well as on the hotel reservation.

The Organizing committee keeps counting on your collaboration and participation hoping to offer you an outstanding Conference.

Cordially,

The Organizing Committee
